# A1: Urban Diary

### Beton - Gummibänder

Das Betonstück wurde in Frankfurt, an der Baustelle neben der EZB gefunden. Die Gummibänder federn den Stein bei einem Aufprall etwas ab.

### Tannenzapfen - Zitrone

Der Tannenzapfen wurde von meinem Hund auf einem Spaziergang angeschleppt. Die Zitrone verhindert, dass er noch einmal hineinbeißt.

### Ohrring - Parfumprobe

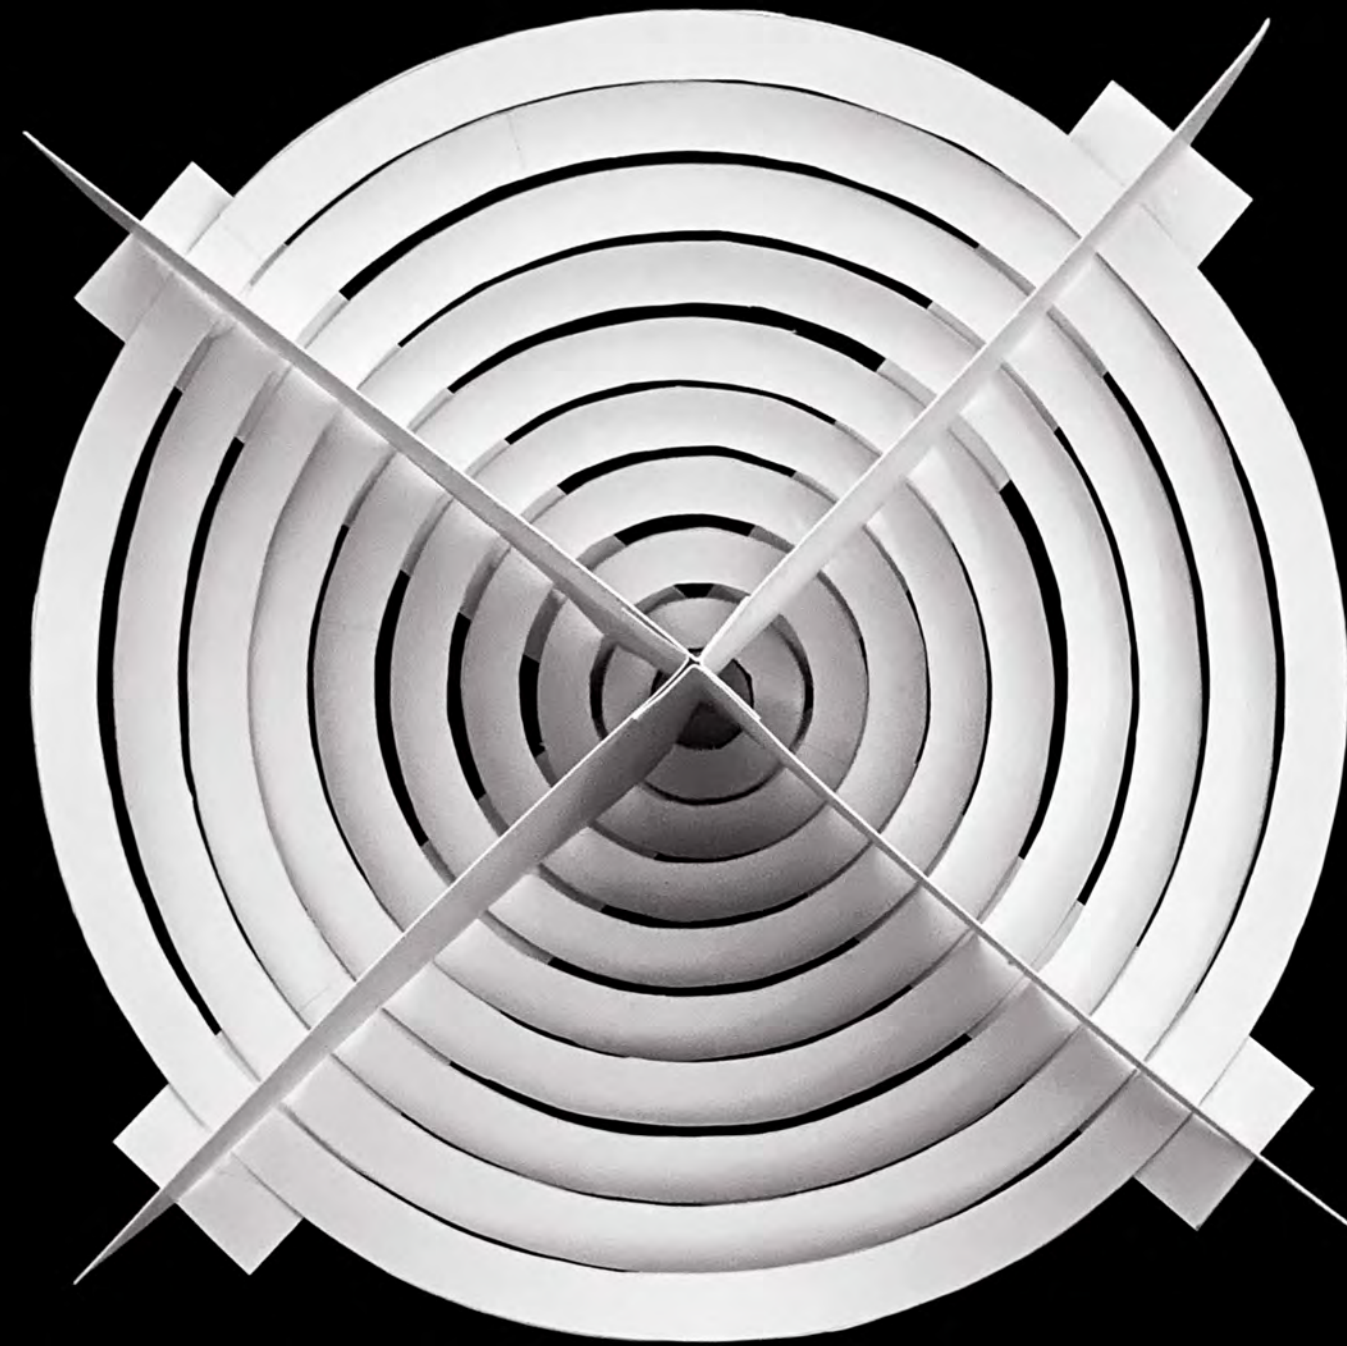

Den Ohrring habe ich meiner Freundin geklaut und anschließend in eine mit Wasser gefüllte Parfumprobenflasche eingelegt.

### Hammer - Luftpolsterfolie

Den Vorschlaghammer habe ich aus unserer Boxhalle entwendet. Die Knisterfolie schützt ohne zusätzliche Gewalteinwirkung zumindest den Boden vor Kratzern.
